

STATE OF MAINE
PUBLIC UTILITIES COMMISSION

DOCKET NO. 99-861

DECEMBER 21, 1999

YARMOUTH WATER DISTRICT
Application for Approval of
Issues of Securities (§902) (\$2,050,000)

ORDER APPROVING
ISSUES OF SECURITIES

WELCH, Chairman; NUGENT and DIAMOND, Commissioners

On December 1, 1999 Yarmouth Water District (the District) filed with the Commission its application for authority to issue its bonds in a sum not to exceed \$2,050,000, through Moors and Cabot, Inc., at an annual rate not to exceed 6.5 percent. The debt will be paid over a term not to exceed 20 years.

The District requires these funds for the purposes of constructing a gravel packed well, pump station, 13,200 feet of 16-inch water line including all engineering, debt service reserve and cost of issuance.

Having reviewed the application of the District, together with data filed in support of it, it is the opinion of the Commission that the proceeds of the issuance of the note are required in good faith for the purposes enumerated in 35-A M.R.S.A. § 901. In approving this securities issue, consistent with normal practice and pursuant to 35-A M.R.S.A. § 902 (4), the Commission does not imply approval of the District's capital needs or capitalization ratio for ratemaking purposes, nor does this Order limit or restrict the powers of the Commission in determining or fixing any rate.

Accordingly, we

ORDER

1. That the Yarmouth Water District is hereby authorized to sell its bond in a sum not to exceed \$2,050,000 to be used solely for the purposes described in this Order, and at a rate not to exceed 6.5 percent per year, through Moors and Cabot, Inc., for a term not to exceed 20 years.
2. That the District report to this Commission, in writing, its actions pursuant to this Order within (60) days of the date of the sale of the proposed bonds, or by February 29, 2000, whichever may come first.
3. That the Administrative Director is hereby directed to mail an attested copy of this Order to interested parties and to close this Docket.

Dated at Augusta, Maine, this 21st day of December, 1999.
